John L. Cooper  
Farella Braun & Martell, LLP  
Russ Building  
235 Montgomery Street, 17<sup>th</sup> Floor  
San Francisco, CA 94104

Dear John:

Attached is the CRA invoice for our work in the Oracle/Google matter in November and December, 2011. I apologize to you – and to the parties – for the delay in getting this invoice to you. As I think I have mentioned, at the end of last year CRA implemented a new financial management software system, and the transition has been more difficult than we had hoped. However, I think we largely have the bugs worked out now, and I hope to have the January invoice to you in a few days, and we should be able to generate the February invoice in a timely manner.

Again, my apologies for any inconvenience.

Sincerely,

A handwritten signature in black ink, appearing to read "G. Adams".

Gregory D. Adams  
Vice President
